# DEDICATION

In Memory Of  
Sarah Desmond

She was our friend, but now she's gone  
Our love for her we carry on  
We're her friends and we really cared  
Through the times that we shared.

Memories of her still in our minds  
She was so sweet and very kind.  
We had our good times and our bad  
Now that she's gone we feel so sad!

Through the sorrow and the pain  
Our love for her still remains  
Our friendship everyday grew stronger  
Why couldn't she have lived a little  
longer?

We'll all miss her very much  
But now and forever we'll keep in  
touch  
We want her to know how much we  
cared

And we'll always remember her  
through our tears!  
We love her and miss her!

Perseverance has been a mark of the Class of '89, the largest group to ever graduate from Middleborough High. Through the years, larger numbers have meant greater variety — and greater differences between classmates. The uniqueness and diversity of the class of '89 have made it a melting pot of individuals, all hopefully contributing to the class as a unit. The experiences we have shared, experiences which have shaped and changed our lives, have helped us to grow as a class, and as individuals.

No one knows what the future will bring, but we all know what the past has brought — good times along with bad times. Although some will be heading off to college while others will be getting jobs or joining the military, nothing will replace our four years at MHS.

Good Luck!

# A European

Alison Powers and her family.

I spent the best six months of my life in the Netherlands as an exchange student. While there I traveled a lot through Holland, and learned to love a culture and a people with a rich history.

The Dutch are very proud people. They take pride in their country, their government, and their traditions. Everywhere I went there were friendly people. The favorite pastime of the Dutch is to relax and drink coffee until sunset. The Dutch excel in soccer; they won the European Championship while I was there.

I lived in Wageningen, which is one of the oldest cities in Holland. There, bikes were our transportation in any kind of weather. At school my courses were similar to the ones I had had here.

While in Wageningen I made a lot of friends, and we shared many good times. My host family helped me to understand and to love the Dutch way of life. I love my entire Dutch family dearly, and am thankful for many wonderful moments with them. Holland was an experience I'll treasure forever.

... Alison Powers

# Experience

In the second semester of my junior year I left the United States to become an exchange student in France.

I stayed with the Bievre family, who were young and middle class and had two sons — Cedric, age eight, and Nicholas, age six. I lived in the city of Chalon sur Saône, which is located on the Saône River, about six hours from Paris by car. The city was about the size of Brockton, and had approximately 60,000 residents. I attended a small private school in the city; it had only about 400 students. Because it was so small, the school was easy to adjust to.

During my stay I went skiing a couple of times in the French Alps, and visited the countries of Italy and Germany.

I really enjoyed learning about the French culture and way of life, and I'll always remember my experience there.

# 1989 Jr. Miss

Entering the Junior Miss Pageant, though unsure of the outcome, our energy and our hopes were high. Through it all we always tried — sometimes too much, sometimes not enough.

As the weeks passed, anticipation grew daily. During our time together, we learned a lot about each other as well as about ourselves. We laughed and cried, and somehow we became closer than we had ever been.

As a contestant in Jr. Miss, I feel that none of us lost. In fact, we all won in a way that is much more important than the prizes. Our time together created memories and friendships that will last a lifetime. A bond was built during our few weeks together; one that will be impossible to break!

Jennifer Vaughn, Jeanne Schmidt, Heather Eastman, Kathy Hotz, Tracy Kahian.

*That's Entertainment Ten* was a spectacular show which involved over one hundred students, alumni and staff members. It was an exciting tribute to Mrs. Eleanor Osborne, advisor to STW for ten years.

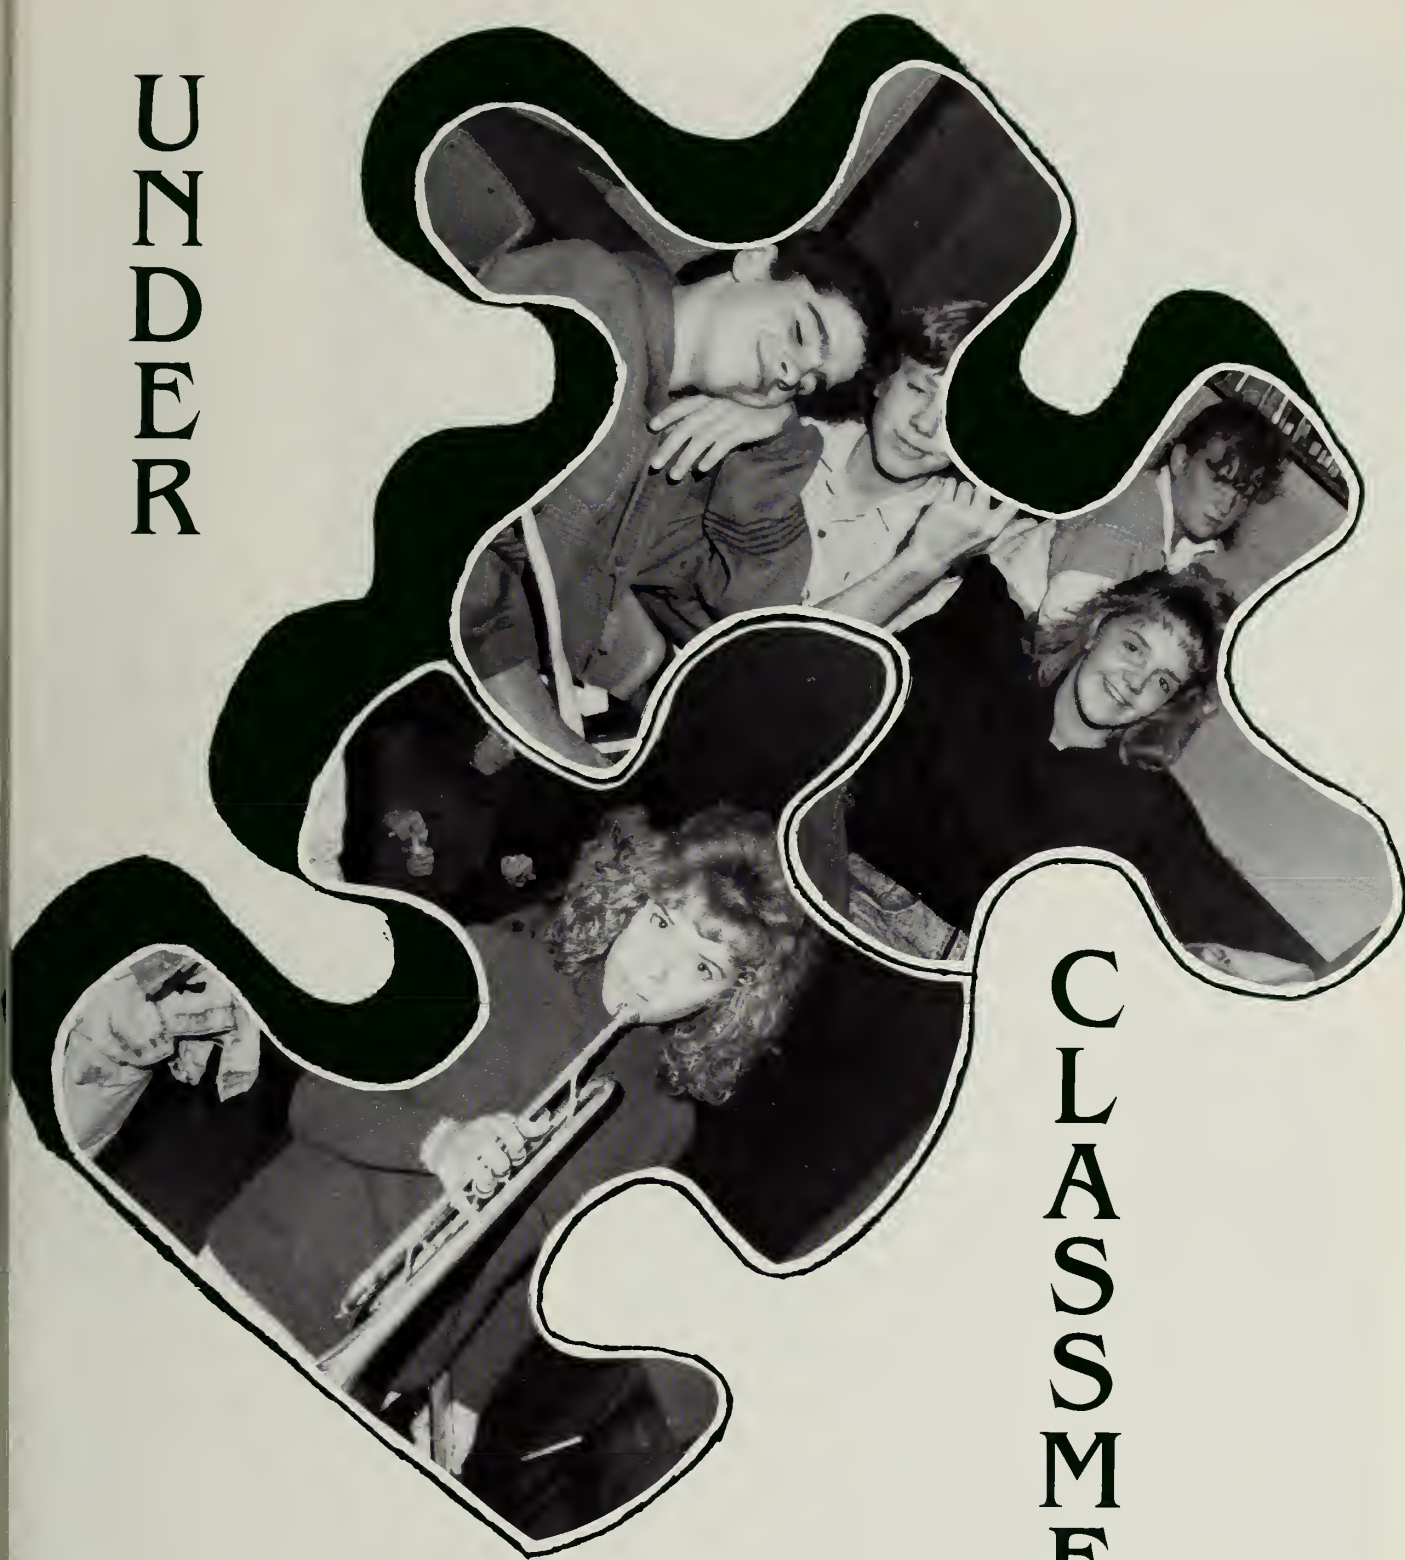

For four years, our part in the picture has been forming. The many friends we've made and the experiences we've shared while underclassmen are important parts of the puzzle.

# FACULTY

DR. LINCOLN D. LYNCH  
Superintendent of Schools

Dear Class of 1989:

I firmly believe that you, the future leadership of our Town, State, Nation and the World are the best and brightest hope of fulfilling our dreams for the future.

Our dreams are inseparable. I am convinced that you who have worked and achieved here at M.H.S. are as well or better prepared to meet the challenges of the future than were we who preceded you.

Trust in yourself and God and avoid evil. Honor and love your Father and Mother, brothers and sisters as the best friends you will ever have. Be true to yourself, your friends and your Country. These are not antiquated precepts from a bygone era. These, I believe, are the ingredients of a happy and successful life and a rewarding and fulfilling future. God bless you, each and every one as you journey toward the fulfillment of your dreams.

Lincoln D. Lynch, D.Ed.  
Superintendent of Schools

It was in 1968 that Dr. Lynch began his tenure as Superintendent of the Middleborough School System. This June, after 21 years at the helm, he will retire to begin a new phase of his life. Our best wishes go with him; he will be greatly missed.

MR. WILLIAM S. WASSEL  
Principal

Dear Graduating Seniors,

As I think back to the beginning of this school year, I am reminded of our opening school assembly with seniors. At that time I stressed to you the impact that a senior class can have on its high school. The leadership the senior class chooses to demonstrate often times sets the tone for the entire school's success or lack of success.

During 1988-89 we have seen numerous individuals from your class carry out this challenge in the classroom, at extra curricular endeavors and out in the community with excellent achievements both individually and collectively. We are proud of what your class has accomplished.

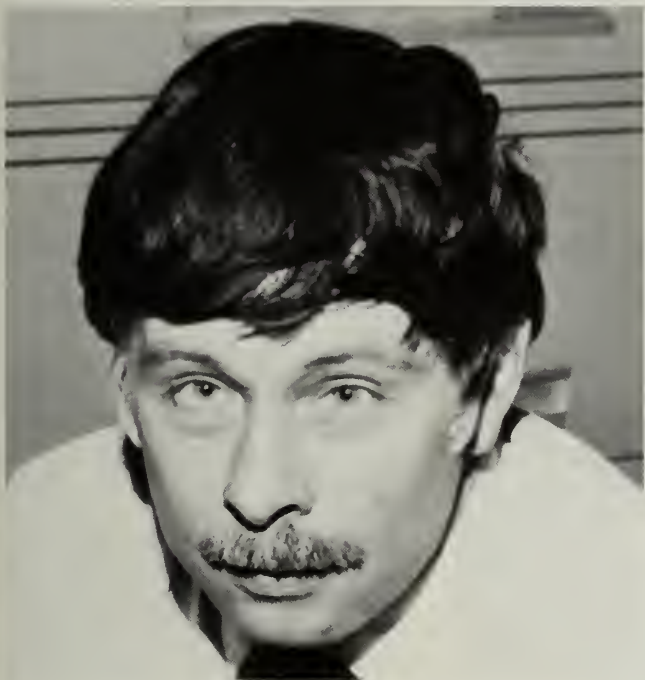

As you leave Middleborough High School and go your separate ways, I hope you will not hesitate to return and share your success as well as your failures with your former teachers and administrators.

We hope that you feel we have had a small impact on your lives and that we will always be concerned, interested and above all, supportive.

Best of luck in your future endeavors.

Sincerely,

William S. Wassel  
Principal

## ACADEMIC BOWL

Being on the Academic Bowl Team is an exciting experience which allows MHS students to "match wits" with numerous other area schools. Team members find the competition with other schools interesting and enjoyable, and the camaraderie within the group a welcome retreat.

National Honor Society was first established at MHS as the Pro Merito Society over 30 years ago. NHS strives to create an enthusiasm for scholarship, stimulate a desire to render service, promote worthy leadership, and encourage the development of character in students of MHS.

## BOYS' AND GIRLS' STATE

Boys' and Girls' State involves a week of intensive study of our government. Though it may seem bookish and not fun, there was plenty of time between and after sessions to utilize Bentley College's numerous recreational facilities. It's a fantastic program!

Loma Sleeper and Heather Eastman

BOYS' AND GIRLS' STATE REPRESENTATIVES

Eric Hadsell, Rich Hatch, Heather Eastman, Mike Denise, Andrew Coutinho.

Silver "M" is a small organization comprised of sophomores, juniors and seniors who have demonstrated outstanding citizenship, class contribution, and school spirit, and who are involved in extra-curricular activities. Members are nominated by faculty and elected by club members. Putting up flags in Middleboro on Veteran's Day and again on Flag Day is one of the club's community activities.

# Student Government

Throughout the school year, measures have been taken by the Student Council to combine the different talents, opinions, and ideas of all Middleboro High School students. The new motto — "To nullify the divisions and move ahead united" — was created by members of the Student Council in order to develop a student body incorporating concern, contribution, and participation.

The Council proved itself able when it pushed the issue of wearing shorts, drafting many proposals until finally one was agreed upon by both parties. Now we the students have been granted permission to wear shorts.

In the future the Middleboro High School Student Council would like to see more student concerns addressed. With support from the student body, this can be accomplished.

## Journalism

Journalism is fun! Over fifty students are taking the course this year. Through the production of the *Sachem Sentry*, they learn to be accurate, responsible reporters. All aspects of writing are encouraged, and students have the opportunity to display their talents through cartoons, short stories, and poems.

# Video Tech

Video Technology has now expanded to become a two year course. Video Tech I students master the basics of TV production both "on-location" and in Continental Cablevision's studio, and they also cablecast the programs they've helped produce. Two shows have been aired directly from the Media Center each school day over Cable Channel 6.

Video Tech II students have worked on advanced production and editing skills as they've helped put together "Take 6," a feature magazine show which focuses on community and school events. In addition advanced students have participated in a Student Internship Program wherein they've learned the various aspects of the cable business by working on the job at the Continental Cablevision facility in Middleboro.

# Timaron

Since last spring the *Timaron* staff has worked to piece together a book which reflects the accomplishments as well as the memories of the Class of '89. Lay-outs and pages have been planned to reflect both the theme of the book and the character of this very special graduating class.

Added to the *Timaron* this year has been the "Underclass" section, which recognizes the oftentimes unrecognized three-fourths of Middleborough High's students. This section, as well as an expanded "Remember When" division, has increased the size of the yearbook to 200 pages — the largest in Middleborough High history.

The staff has worked hard to complete the numerous details and processes involved in producing a quality yearbook. It's been an exciting year!

# Speech and

The Speech and Theatre Workshop was established in 1978 for the purpose of giving talented students an opportunity to participate in the production and performance of plays from the great treasure of world theatre. Approximately one hundred fifty students join the workshop each year and are exposed to the areas of mime, improvisation, and technical theater. Field trips are sponsored to regional college and professional theatre as well as to the annual New England Theatre Conference. The group is self-supporting and one of the most active at Middleborough High School.

# Music

## Instrumental

Included in the orchestra repertoire this year are pieces by Tchaikowsky, Vivaldi, and Telemann. Much time is spent within the group working on technique and tone to insure quality performances. The high school string section, which is separate from the orchestra, rehearses every day and plays with the full orchestra once per week.

# Majorettes

For the past two years the MHS open class majorettes have won the NEMA championship. This is due to their hard work and determination. Twirling is different from other varsity sports because it doesn't have a regular season. Beginning in September they practice until competition season in February, which lasts until April. This year's captain was Larrel Thomason.

# Organizations

The International Relations Club was established in 1985 with the aim of involving MHS students in learning about world affairs. Students meet weekly and learn by doing; club members have participated in hunger walks and sold UNICEF Christmas cards. This year the group organized its own walk-a-thon, raising over \$400 to "adopt" a needy child for a year. Clark University's Model United Nations Conference is the group's major activity.

# Key Club

The MHS Key Club, a service organization, is affiliated with Middleboro's Kiwanis Club. Each year the group takes on a fund raising project, and meetings involve fun as well as the support of this project. This year's fund-raising has benefitted UNICEF.

# DECA

DECA, a national organization for high school students enrolled in a marketing program, is the only youth organization which prepares its members to be America's future leaders in the fields of marketing, merchandising, and management.

DECA operates through local marketing education programs and gives students the opportunity to compete with other DECA members from across the country at district, state, and national conferences during the school year. The background DECA members develop greatly enhances their career opportunities for the future.

What if they find out we're not racing?

This past season was a rebuilding one for both cross country teams. The boys' team got off to a slow start, but finished strong by winning three of its last four meets. They began the season with five runners, yet ended the season with fourteen. The girls put a team together for the first time in three years, and although their team did not win many meets, they gained valuable experience for future years.

**VARSITY SQUAD:** Front — Co-captains Jon Lindskog and Mike Denise. Standing — John Santos, Keith Braga, Mike Dobbins, Chris Patrick, Aaron Lee, Joe Arruda, Jim Lynch, Tony Marando, Chad Boothman, Coach Littlefield.

The Sachem Boys Basketball Team began its season with high expectations of being competitive within the league and of qualifying for the state tournament. The team has been led in scoring by Aaron Lee and Joe Arruda, with Keith Braga, Chris Patrick, and Mike Dobbins dominating from the forward position.

Senior co-captains Mike Denise and Jon Lindskog, along with John Santos, ran the offense well from the point guard position.

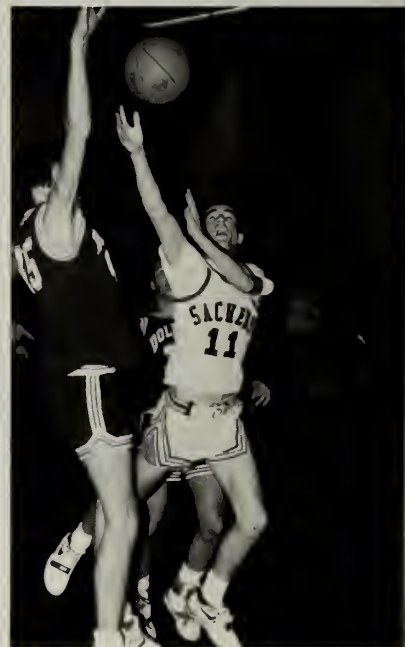

Chad Boothman, Jim Lynch, Tony Marando, and Damo Chance also chipped in during the year to help the team to victory. The team's hard work and determination has brought the basketball program back to being competitive and successful.

The Middleboro High School Boys' Soccer Team faced a lot of adversity during the 1988 season. With only five seniors on the varsity squad, injuries and other conflicts shadowed the young Sachems. At times the team was outmanned by its opponents, but it still fought hard to make each contest closer. Next year the varsity squad will be stronger due to more experienced players who will have a few years under their belts. M.H.S. can count on a strong showing in the South Shore League next year.

All yours, Manny!

A great stop by Joel

Score!

Go, John! Go!

Great Sachem footwork.

Oh, my leg's not long enough.

No — you go like this!

Which way are we going?

Watch out! Keith's on your tail.

Ok, Bill. It's five against one.

# GIRLS' SOCCER

## VARSITY TEAM

Front: Paula Eaton, Kristen McGonigle. Row two: Carrie Mason, Heather Lopes, April Black, Kerri Gomes, Michele Lynn, Karrie Paoella. Row three: Camille Ferguson, Paula Thorson, Amy Sparrow, Jen McDonald, Jen Sherman, Tara McKinnon, Michele Szakaly.

This year's girls' soccer team finished its second season in the South Shore League by establishing a record of 8 wins and 8 losses. This record was a great improvement from that of last year. The team was led by many seniors who had grown up playing soccer together. This year's captains were Kristen McGonigle and Paula Eaton, and the team was coached by Miss Kathleen McSweeney.

## JUNIOR VARSITY

Front: Christine Bordeaux, Julie Coelho, Jackie Marble. Row two: Kriste Clement, Michelle Bolia, Jesse Gershman, Katherine Eaton, Jen Trott. Row three: Lisa Geoffrion, Dani Jacobs, Tania Sakora, Sally Johnson, Jenny Ginn.

# FIELD HOCKEY

This year our team accomplished what it set out to do — and more! Under the leadership of three experienced captains and varsity coach Lisa Perry, the girls qualified for the state tournament and had an unexpected thrill when they beat the previously undefeated state champs. This year our team did what it wanted to do while having as much fun as possible. Hopefully the strong group coming up next year will be even more successful!

## VARSITY

Row 1: J. McGlone, S. Littlefield, J. Cronin. Row 2: C. Kelly, T. MacAulay, J. Cronin, S. Lawrence, K. McIsaac. Row 3: J. Howard, J. Cleverly, P. MacAulay, K. Martin, K. Marshall, M. Tarr, Coach L. Perry.

Uh oh — Here they come.

Try and stop this one!

Hey, watch out for my foot!

This is too exciting!

Uh Oh — I broke it!

Being a cheerleader requires more than just leading cheers. Of course there are cheers to learn, some of which are long and wordy while others, chants, are short and easy for the crowd to follow. But other things are learned too — such as team unity and the ability to get along with teammates and cheerleaders from other schools. All in all, being a cheerleader is not an easy task, but it's fun!

#### VARSITY FOOTBALL CHEERLEADERS

Kristin Carabin, Heather Eastmen, Jennifer Perry, Tracy Kahian, Monique Duphily, Kalen Mace, Co capt. Julie Lawrence, Co-capt. Kim Bernabeo, Dawn Duquette, Jen Lewis, Carol Hollick, Angela Silva, Stacy Lindskog, Julie Vaughn.

#### JV CHEERLEADERS

Co-capt. Jen Provencher, Co-capt. Kristin Perry, Renee Fernandes, Gwen Kahian, Stacie Ambrose, Amy Pierce, Lisa Pelley, Tamsyn Hunnewell, Kara Fox, Tina Keane.

# SWIM TEAMS

Front: Amy Schwartz, Lucy Bichsel, Shannon Grance, Christine Ginn. Middle: Beth Powers, Michelle Smith, Dottie Davis, Robin Shurtliff. Back: Jocelyn Judd, Co-captains Alison Cook and Alison Powers, Heidi Eastman, Becky Michael, Carey Mitchell, Coach Sullivan. Missing: Heather Dorsey and Amanda Stuhler.

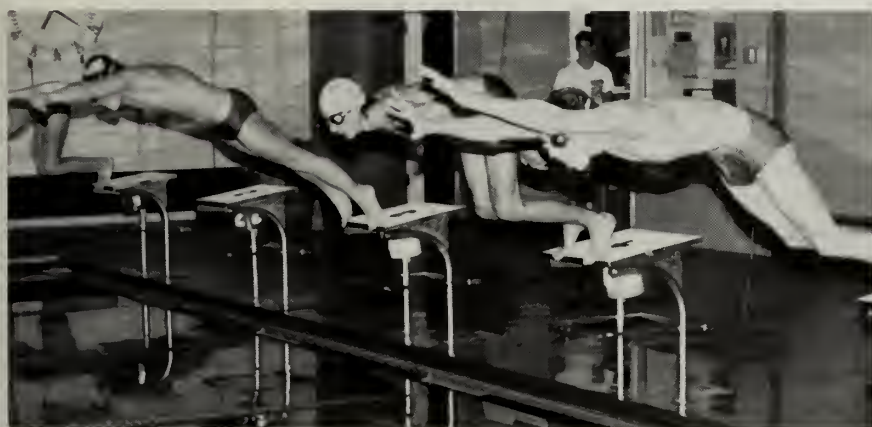

This year's Girls' Swim Team was led by senior co-captains Alison Powers and Alison Cook. All the girls worked hard to contribute all they had to offer, and, although they had the burden of traveling to Lakeville every day to practice in the AHS pool, each improved as the season progressed. In spite of the fact that the team was small in number and young, the season was a successful one in that it was a growing year for up and coming teams.

A. Cook.

The Middleborough High School Boys' Swim Team had yet another successful season with a record of 7 wins and 3 losses this year. Under the direction of new head coach Everett Clark the team accomplished this admirable record, despite the fact that at the start of the season the Burkland Pool was inoperative and practices were held at Apponequet's indoor pool. Seniors on the team include Dave White, Peter Towns, Ted Nicholson, Keith Merrill, Bill Kyle, Eric Hadsell and Ian McDonald. The team worked hard, accomplished a great deal, and left a strong foundation for the 89-90 season.

Bottom: Will Rogers, capt.; Ian MacDonald. Middle: Jim Grace, Joel Wiksten, Mike Yeskewicz, Dan Gasse. Top: Chris Glenewicz and Tim Hilton. Missing: Bill Kyle, capt.; Eric Hadsell, Ted Nicholson, David White, Keith Merrill, Peter Towns.

# SPRING ENGLAND . . .

During April vacation of last year the Speech and Theatre Workshop sponsored a second Curtaintime Tour to London. Over 25 students and adults enjoyed joining the crowds at Buckingham Palace for the changing of the guard, touring Shakespeare's birthplace, walking the halls of Oxford, viewing Stonehenge, Salisbury Cathedral, the Tower of London and the city of Bath, and attending plays in London's fabulous theatre district.

The group even saw Queen Elizabeth leaving for Australia! It was a thrilling, fast-paced nine days!

# FRANCE . . .

Those who went on the France Trip will remember their experience as eight very special days. In Paris the group surveyed the Louvre, Notre Dame, Sacre-Coeur, and the Eiffel Tower, then took a cruise on the Seine River. In between they saw a fashion show, shopped, and ate lots of French food. An entire day was spent at Versailles, and another at Mont St-Michel in Normandy. It was a trip to remember!

A monumental gathering

Eighty members of the Class of '89 spent April vacation of their junior year touring Washington, D.C. During their five days there, the group saw numerous historic, political, and cultural sites of interest, and chose favorite attractions at the Smithsonian Institute and the National Zoo. Particularly memorable events were locating familiar names on the Vietnam Memorial, attending the Burn Brae Dinner Theatre in Maryland, and socializing during a dance cruise on the Potomac.

Mike Denise, Heather Eastman, Dawn Duquette, and Jeanne Schmidt officiated at a wreath-placing ceremony at Arlington National Cemetery; they were escorted by guards from the Tomb of the Unknown Soldier.

Visiting local shopping areas, and sampling the wide variety of foods available from local eating establishments and from street vendors were additional highlights. Everyone truly grew to love the bus!

Chaperones included the O'Briens, Denises, Perrys, and Eastmans. As the old saying goes, "A great time was had by all!"

# BURKLAND

On August 8, 1988, fire destroyed the Burkland School here in Middleboro. Originally built in 1955, Burkland served as a junior high until 1971 when it became home to the community's fifth and sixth graders. A new addition which included a library and media center joined it to the Mayflower School. Though the entire new addition was saved, 22 rooms, including the auditorium, gymnasium, cafeteria, computer room, art room, music room, and numerous class rooms, were destroyed. Rebuilding will hopefully be completed within two years.

Our MHS community here is but a piece of a much larger community around us — one we are also very much a part of.

Like pieces of a puzzle, our lives connect with the lives of many others around us. Together, a full picture of our years here at MHS emerges — the people, the places, the events — only to be separated to form yet another picture at yet another time.

May the good Lord be with you down every road you roam,  
And may sunshine and happiness surround you when you're  
far from home.

And may you grow to be proud, dignified and true,  
And do unto others as you'd have done to you.

Be courageous and be brave,  
And in my heart you'll always stay

Forever young,

Forever young,

Forever young.

May you stay Forever young,  
Until we meet again.
